

Proposed Boundary Changes for Wheatley Education Campus 1299 Neal St. NE

Wheatley Education Campus is the public school of right for all school-age children living within the attendance zone. Families can also apply to charter schools or out of boundary to DCPS schools through a lottery process.

SY 2013-14

Enrollment: 442

In-Boundary: 74%

Bldg Capacity: 500

Bldg Utilization: 88%

| | |
|---|------------|
| # of grade appropriate public school students [PK3-5th] living within the current boundary (SY13-14) | 407 |
| # of grade appropriate public school students [PK3-5th] living in proposed attendance zone (SY13-14) | 840 |
| Boundary participation (% public school students [PK3-5th] living in boundary and attending) (SY13-14) | 24% |
| Projected 4-10 year old child population change 2014-2020, Neighborhood Cluster 23 | 42% |

Rationale for Proposed Boundary Changes: Wheatley's attendance zone expands to the northeast to absorb the former Webb zone. Wheatley is approaching capacity but is expected to gain capacity with the proposed grade configuration change.

Proposed Geographic Destination Feeder Schools (Feeder Pathway): Anyone living in the proposed new boundary for Wheatley EC is zoned for and has a right to attend McKinley MS and Dunbar HS. No timeline has been proposed for converting Wheatley from an education campus to an elementary schools. Rights to McKinley MS will begin once the conversion to elementary school is complete. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

Proposed Programmatic Destination School (Feeder Pathway): McKinley MS is a STEM middle school program. McKinley's 8th grade students will have a right to attend Woodson HS. Woodson HS currently offers a STEM program
